- You understand that a completion certificate will be awarded on successful completion of the course once all relevant work and any remaining outstanding payments have been received.

- You agree that you will be 18 years or more at the start of the course.

- You will have no claim to use the content of the your4legs training material to recreate your own equine diagnostic assessment or equine massage courses in any format without prior permission from your4legs.

- You agree to the following data protection (GDPR) statement. (A full copy of the Your4legs Data Protection Policy is available on request) –
  Your4legs will hold your data for legitimate business reasons only, to ensure we can process your course application, manage your course assessments or manage ongoing contact if you are a therapy client. Your4legs will hold your data for the time you continue to be a client. Once you are no longer a client, your4legs will hold your data for 7 years after which point it will be securely shredded and/or electronically deleted. Data may be held electronically and in hard copy. Your4legs will not use your data for marketing or profiling purposes. Should you have any questions about your data, or wish to exercise your rights as a data subject, our Data Controller is Stef Watts who can be contacted on 07715498872

- A 90% attendance rate is required for successful completion of the course. If circumstances mean that you cannot attend a part of the course it is possible, with prior agreement from your4legs, to defer your final assessment to the next available date.

- You will need to provide your own lunch and organise your own overnight accommodation – a list of some suitable B&B and hotel accommodation will be provided as part of your welcome pack following completion of your application form and initial deposit / payment.

- You will need to provide your own Personal Accident Insurance Cover for the duration of the course. Your4legs can suggest student insurance cover from Holistic Insurance Services and membership of the IAAT (International Association of Animal Therapists). The aim will be for the student to be able to change to Practitioner Insurance Cover once they have successfully completed the practitioner course.

- Equine and canine physiotherapy can be quite a physical undertaking so you will need to look after yourself. Stef Watts will endeavour to ensure you learn the safest method to deliver the massage techniques, but all students must adhere to any procedures that are presented relating to safety on the yards you visit and around the horses and dogs, including the wearing of appropriate safety clothing when required (For example - appropriate footwear, riding hat and gloves may be required on some yards for the horses.)

- Although the course venue is secure and the classroom is kept closed when no-one is in it, your4legs does not accept liability at any time for the loss or damage to student property, including vehicles and their contents.
