

EQUINE SPORTS & REMEDIAL MASSAGE PRACTITIONER COURSE

PRACTICAL DATES 2023

Choose your practical days to fit in with other commitments

Please discuss any specific requirements or queries directly with your tutor

Planning your practical days –

- Choose from the dates below to fit the practical days around your other commitments
- Download the pdf so that you can manage your practical dates
- Inform your tutor of the practical dates you plan to attend within 10 days of each date
- Make sure you attend the 5 compulsory lectures and 7 therapy practical days – [see below](#)

NOTE – COMPULSORY LECTURES:

- There are options to attend live zoom sessions for the 5 compulsory lectures if you have to travel a long distance from within / from outside the UK
- If attending compulsory lectures by live zoom, this will be classed as half a practical day

Compulsory lecture subjects and practical days	Number of lectures / practical days
Musculoskeletal and nervous system lecture	1
Gait and static assessment lecture and practise	1
Saddle fitting lecture	1
Farriery lecture	1
Dentistry lecture	1
Therapy practical days	7
Total number of practical days including compulsory lectures	12
